Many of the minutes and programs aired
on Channel 63 serve to encourage me in my personal
walk with God. I work and have limited time for TV
in general, but Channel 63 is my first choice of
programming and without it I really would not need
cable programming at all. My grandchildren also join
me to watch Channel 63 - it may be their only
source of Christian teaching for the week. I have come
to know that there are many churches throughout the
nation that are teaching truth about the Kingdom of
God - without Channel 63 I would have been denied
access to their teaching - my life would be adversely
affected should we lose the broadcast.

I have been watching TBN since its inception &
have been blessed, rebuked, taught, encouraged &
challenged every time I have looked at it. In this day
when so much bad news, violence, decadence &
other evils are prevalent, TBN is one of the few voices
proclaiming the GOOD NEWS. People are hurting,
depressed & pushed down by so many things they
have experienced both in their lives & the scary
things they have seen in most of the secular TV.
They need healing, deliverance, encouragement, hope
& all the good variety of ministries on TBN. This
is needed more than anything else on television.
This channel upholds the great standards of the
Bible & our community.

What I have described is true. I give this testimony under penalty
